*A magnificent space to hold your next event in our world of  
Beauty · Luxury · Exceptional ·*

## The Atelier & Co.

Our impressive 7,000 square feet headquarters houses our planning arm, design studio, floral cold room, retail collection and education division.

As a brand synonymous with luxury events and design, our headquarters was designed specifically as an open concept conducive for experiential activities. Every piece of fit out is mobile and movable. The entire space is up for hire for press launches, private events and celebrations, supported by a stunning showpiece bar, fully functional kitchen and catering facilities.

The Atelier & Co. comprises a team of dedicated planners, creatives, decorators, and strategists, committed to seeing your event goals through.

We provide a full suite of services, managing the behind-the-scenes details to deliver a superior event experience for your audience.

## CELEBRATE EVERY MAGICAL MOMENT

Be surrounded with bountiful florals in exceptional style. The perfect beginning for all your milestones.

## HOST A UNIQUE EVENT

A multi-functional space that can be easily transformed for networking session, pop-up activations, product launches, intimate events, and more.

## CREATE LASTING MEMORIES

Capture beautiful moments at our picture-perfect space that will keep your camera busy. Brighten up your feed with the most creative shots!

We believe every aspect of the space needs to speak the same language, no design detail is too small for us to ignore.

Fully equipped with an array of amenities, The Atelier & Co. is designed to make holding events a breeze for our clients.

## THE SPACE

An adaptive space suitable for any occasion, big or small. Be charm by our magnificent setting and immersive environment.

## FURNITURE

Our high bar tables suit any style of event, allowing for easy mingling or seated conversations on our stylish cushioned bar chairs.

## FLORAL CELLAR

Our Crystal Cube is an impressive 360 degree see through Glasshouse, home to a myriad of exotic fresh blooms air-flown in weekly. Imagine this much beauty as the centerstage for your events!

## BAR

Entertain your guests with our showpiece bar, the perfect space for a thoughtful conversation paired with a glass of your favourite tittle.

## NEON RAINBOW WALL

Our rainbow wall of wisdom provides everyone with a dose of motivation with quotes to live by. One of our hot favourite spots to get the most insta-worthy picturesque photos.

## OUTDOOR TERRACE

Enjoy a captivating view reflecting the city skyline. Always a perfect and stunning backdrop for events and photoshoots!

## MEETING SPACE

This intimate meeting space is perfect for private dialogues. Equipped with a whiteboard, flat screen tv, and lush office chairs, this is where big ideas are born!

## SHOW KITCHEN

Our multi-functional and fully equipped designer kitchen comes with induction stove tops, steam conventions, microwave, ovens, wine fridge and more. Ready to host intimate parties, cooking classes or showcase culinary feasts.

## PRIVATE / BRIDAL ROOM

Our private / bridal room acts as your safe haven. Get ready in peace with the people who mean the most to you.

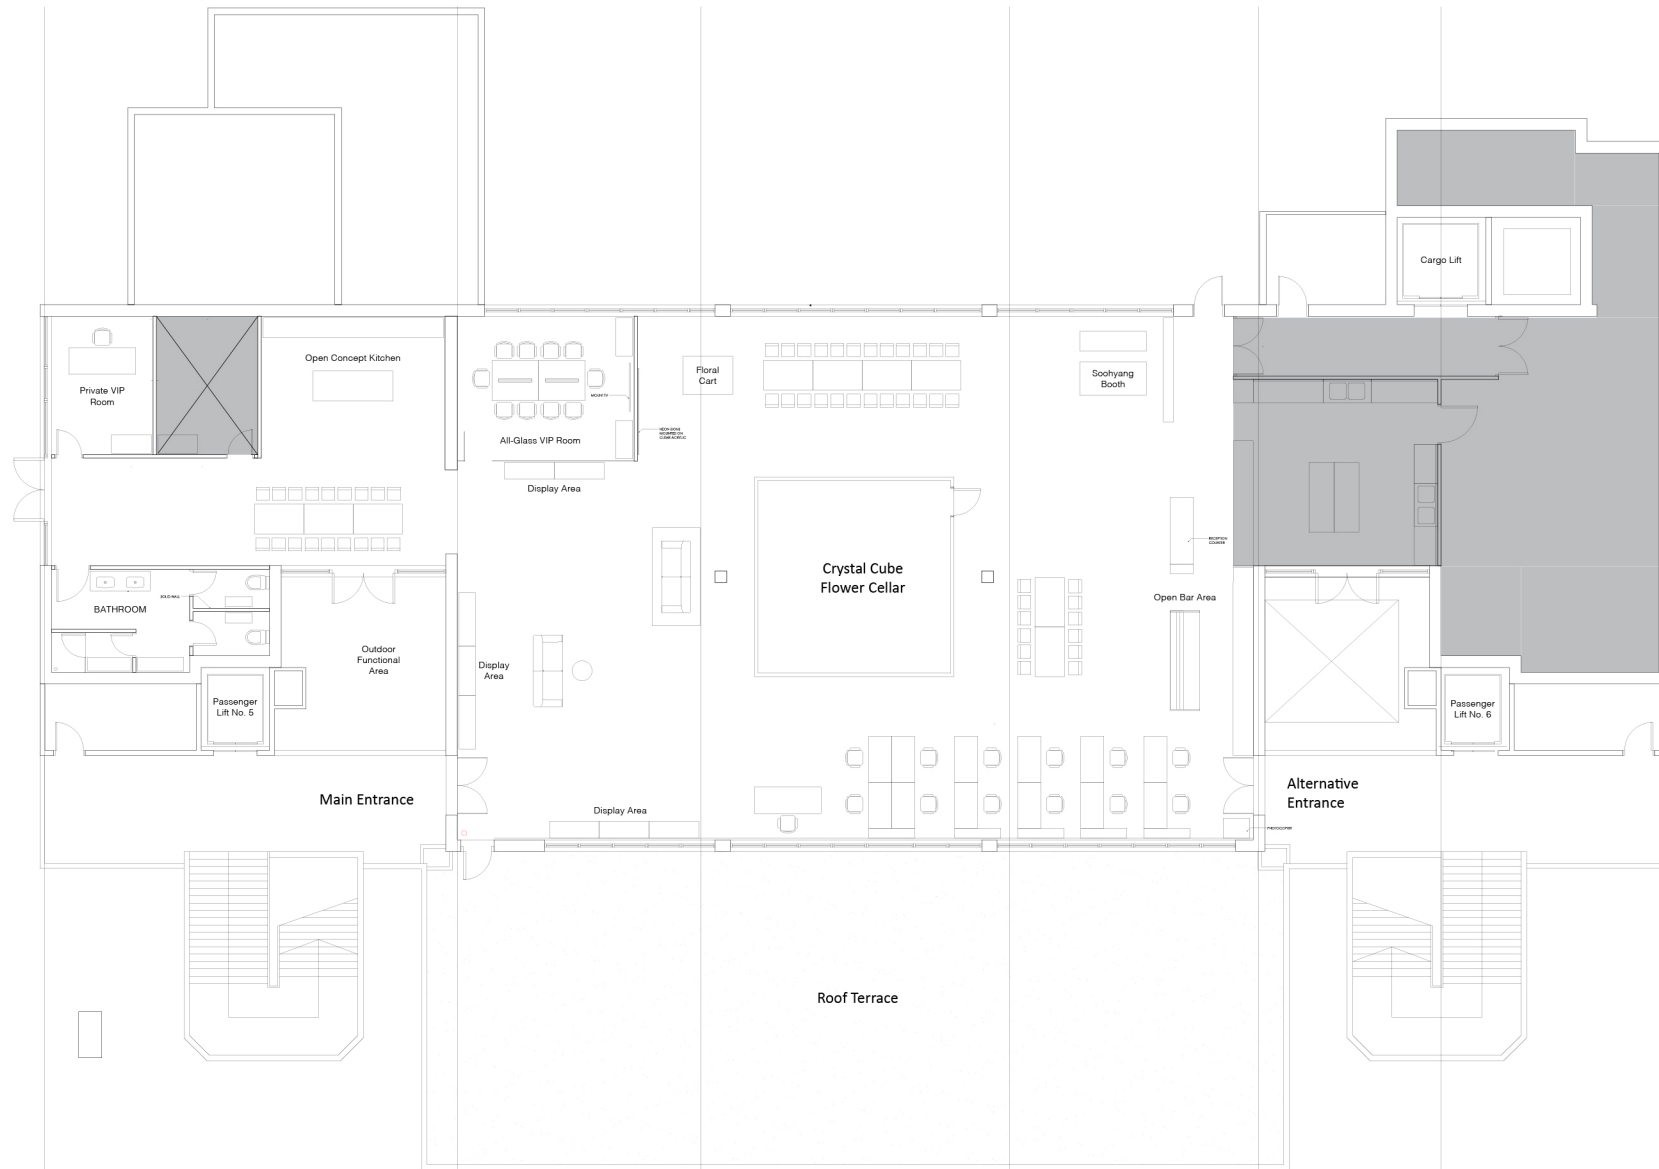

## POWDER ROOM

Extending our design detail right down to the last tile in our beautiful powder room, a place where guests can take breaks, and freshen up.
